5. Planned expenditure	
Academic year	19/20 (2 children eligible for PP)
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.	
i. Quality of teaching for all; Targeted Support & Other Approaches	
<p>We will not provide details of targets on our website. This is due to the small number of children in small year groups; providing detailed support would allow these children to be easily identified. However, examples of Interventions used, which include targeted support and QFT are:</p> <ul style="list-style-type: none"> • Mental Health support • Play Therapy • Educational Psychology services • Protective Behaviour Training • Small group intervention – reading, writing, maths, grammar • Individual intervention – reading, writing, maths, grammar • Funding for a before / after school club • Funding for a Residential trip 	
Total budgeted cost	
£2640	

6. Review of expenditure

Previous Academic Year

2017/18

i. Quality of teaching for all; Targeted support; Other approaches

In 2017/18 there were 5 children in school eligible for PP. Of these, 2 were in Y6 and 100% attained RWM, with one of them attaining RWM at the highest standard. Progress for both was excellent.

Investment was made in the following areas, although we will not provide details of expenditure on our website. This is due to the small number of children in small year groups; providing detailed support would allow these children to be easily identified. However, examples of Interventions used, which proved to have benefited the children, include:

- Mental Health support
- Play Therapy
- Educational Psychology services
- Protective Behaviour Training
- Small group intervention – reading, writing, maths, grammar
- Individual intervention – reading, writing, maths, grammar
- Funding for family therapy
- Funding for a Residential trip
